# From the Director

Welcome to another year of great hunting and fishing in Massachusetts! It is your purchase of a license that enables us to conduct vital research on our wildlife populations, and to manage those populations for the benefit of the public. If there is any doubt in your mind about the wealth of wildlife resources this state has to offer, just take a look at what is available in terms of wildlife-related outdoor recreation.

Last year our four trout hatcheries released more than 650,000 brown, brook, rainbow and tiger trout into streams and ponds all across the state. In addition, some 10,000 landlocked salmon smolts were released into Quabbin Reservoir, and broodstock Atlantic salmon (weighing 4-20 lbs. each!) were released into selected waters from Cape Cod to the Berkshires. (This year as many as 2200 of these hefty sport fish may be stocked!) It goes without saying that our waters also contain a wealth of popular, naturally reproducing species — many of which are taken in trophy sizes each year — including largemouth and smallmouth bass, chain pickerel, yellow and white perch, and of course our own native brook trout. Wherever you are in Massachusetts, you are never more than a few minutes from a fishable body of water.

The deer population, estimated at 85,000 to 90,000, is managed through an antlerless deer permit system adjusted to 14 management zones. Deer densities range from about 10 per square mile in northwestern Massachusetts, to 45-55 per square mile on Nantucket Island. Last year sportsmen and women took nearly 12,000 deer with bow, shotgun or primitive firearms — some of them very impressive indeed (see page 10).

Turkeys, restored to the state in the 1970s, are now ubiquitous. Today we have an estimated statewide population of more than 20,000 of these magnificent game birds. There were 2429 wild turkeys taken during the 2005 hunting seasons, and our hunters are likely to do even better this year.

Some things just keep getting better; others change. You may notice that this year's Abstract is thicker than in the past. We have added a sunrise-sunset table for your convenience (page 15) and a page to help anglers identify some of our most common sport fish (page 14). Even more important to some, we have increased the type size of the hunting and fishing footnotes! This is much easier on the eye and goes to show that our staff is always thinking about ways to improve our products to better serve you.

Telephone numbers at the Office of Hunter Education and at the Field Headquarters have changed. The new telephone system, which doubles the number of lines into Field Headquarters, will speed your call with direct dialing to staff offices, provide clearer reception AND will reduce telephone costs. The new number for Hunter Education is found on page 16. The new number for the Field Headquarters was not yet available at press time, but we will post it on our website and release it through our usual media outlets the moment it is issued.

There are some new regulations this year. Beginning January 1, 2007 all hunters MUST have either a previous license (from any state) or a certificate of completion from a government sanctioned Basic Hunter Education program to purchase a hunting or sporting license. FID and LTC cards will no longer be accepted. This recent legislation reinstates the hunter education requirement that had been in place prior to the major gun law changes enacted in 1998. While possession of an FID or LTC shows that the individual has received firearms training, it provides no indication that the holder knows or appreciates anything about the traditions, techniques or ethics of hunting.

Completion of Massachusetts' Basic Hunter Education program documents that an individual has participated in — and

passed — a comprehensive, standardized course which touches upon many aspects of hunting. Topics include firearms handling and safety, wildlife conservation, personal preparedness, hunter ethics and laws. All courses are offered without charge.

The Division of Fisheries & Wildlife is firmly committed to providing opportunities for individuals who want to learn new skills for many forms of outdoor recreation because individuals who have a personal commitment to fish, wildlife and natural areas are the strongest advocates for conservation and the scientific management of our shared resources. Toward this end — in addition to Hunter Education which is mandated by law — the Division offers the following:

**Young Adult Pheasant Hunt** — This program allows young hunters to learn about upland bird hunting and have an opportunity to practice safe and ethical hunting skills during an actual hunt under the guidance of seasoned outdoorsmen and women. It is

## New for 2007

1. Quabbin Lake Trout Regulation – Two fish limit, 18" minimum length.
2. Shotgun Deer season in Zone 13 (Dukes County) has been extended to two weeks.
3. To obtain a Hunting or Sporting license you must show proof of a previous year's license or a certificate of completion of a Hunter Education Course from any state or province. A Firearms Identification card or a License to Carry can not be accepted for the purchase of a Hunting or Sporting license.
4. The Sportfishing Awards program now has a Junior Division for anglers under 18.
5. Watch for *MassWildlife* Field Headquarters' new telephone number!

These Abstracts contain a summary of the laws and regulations in place as of September 1, 2006. Any changes in law or regulation enacted after September 1 are distributed through our regular press releases to the news media, town clerk offices, all license sales outlets and on our website. These are not the complete laws and regulations. Laws and regulations (MGL Ch.131 and 321 CMR) are subject to change.

Hunting, fishing, sporting, and trapping licenses do not have to be displayed in a visible manner, but they must be carried on your person and shown on demand to any officer empowered to enforce these laws, and to landowners or lessees while on their property. A hunting, fishing or trapping license is not a permit to trespass on private land, posted or not. Remember, your privilege to enter on private land is a courtesy extended to you by the owner. Practice courtesy yourself if you want to continue hunting or fishing.

License sales outlets may sell a hunting or sporting license only after seeing proof of a previous year's hunting license or a certificate of completion of a hunter education course from any state or province.

**To obtain a License to Carry or a Firearms Identification card**, contact your local police department. To obtain a nonresident License to Carry, a permit to possess firearms by aliens, or for more information on Massachusetts gun laws, contact the CHSB, Firearms Support Services, 200 Arlington St., Suite 2200, Chelsea, MA 02150, tel. (617) 660-4780. **Please see page 13 for Massachusetts Gun Laws.**

**STRIPED BASS and HERRING:** For season, size and possession limits call the Division of Marine Fisheries at (617) 626-1520, or visit their website at [www.mass.gov/dfwele/dmf](http://www.mass.gov/dfwele/dmf).

**POSSESSION OF: Sturgeon (all species), American Brook Lamprey, Bridle Shiner, Burbot, Eastern Silvery Minnow, Lake Chub, Longnose Sucker, and Northern Redbelly Dace IS ILLEGAL! If caught RELEASE IMMEDIATELY.**

<sup>1</sup> **Minimum length** is measured as the straight line (not curved over the body) from the tip of the snout to the tip of the tail. Forked tails may be squeezed together for the final measurement.

<sup>2</sup> **Trout** applies to Brook, Brown, Rainbow and Tiger (a cross between a female brown and a male brook trout). From April 1 to September 10, no more than eight trout as defined may be taken daily, and only three of those trout may be from lakes, ponds, or major rivers<sup>3</sup>. From Sept. 11 to Mar. 31, no more than three trout as defined, may be taken daily.

<sup>3</sup> **Major Rivers:** Childs, Coonamessett, Deerfield, Farmington, Green (Colrain), Green (Great Barrington), Ipswich, Jones, Mashpee, Millers, Nissitissit, North (Colrain), North (West Branch), Parker, Quaboag, Quinapoxet, Quinebaug, Seven Mile, Santuit, Scorton Creek, Shawsheen, Squannacook, Stillwater (Sterling, Princeton), Swift (East Branch), Swift (Winsor Dam to Ware River, except as posted), Tully (East and West Branches), Ware, Ware (East Branch), Westfield (All Branches).

<sup>4</sup> **Mainstem Housatonic River** from the confluence of the East and West Branches to the MA/CT line, exclusive of catch and release areas, limit one trout, minimum length 20 inches.

<sup>5</sup> **Special brown trout water:** Total daily creel is 3 trout but only 1 may be a brown trout and it must be at least 15".

<sup>6</sup> **Quabbin and Wachusett Reservoirs:** opening and closing dates are set by the Department of Conservation and Recreation. For Quabbin Reservoir call 413-323-7221, for Wachusett/Sudbury Reservoirs call 508-835-4816 or 978-365-3800. The use of lead fishing sinkers including, but not limited to, split shot, bullet weights, egg sinkers, slip sinkers, bell sinkers, pinch sinkers, rubber grip sinkers, bank sinkers, pyramid sinkers, or twist, strap or wraparound sinkers for the taking of fish in Quabbin and Wachusett Reservoirs is prohibited. Lead fishing sinkers **DO NOT** include other lead fishing-related items such as artificial lures, jigs, lead-core line, down-rigger weights, keel sinkers, torpedo casting and trolling sinkers, or weighted flies.

<sup>7</sup> **The harvest of broodstock salmon** (Atlantic salmon) is lawful in all inland waters of Massachusetts except in: 1) the Connecticut River and all its tributaries, and 2) the Merrimack River downstream of the Essex Dam in Lawrence, MA and all its tributaries downstream of the Essex Dam in Lawrence, MA. The possession of an Atlantic salmon (including broodstock salmon) while fishing in the Connecticut River and all its tributaries and in the Merrimack River downstream of the Essex Dam in Lawrence, MA and all its tributaries downstream of the Essex Dam in Lawrence, MA is prohibited.

<sup>8</sup> **Smelt** may be taken by hook and line only.

**Bait:** Permit required to take baitfish for purpose of sale. **Frogs** (except leopard frogs) 2-1/2" or less snout to vent may be used as bait; 10 daily, 10 in possession. May not be sold. **Baitfish** may be taken by licensed anglers at any time (except for purposes of sale) with a rectangular net not exceeding 36 square feet of net area or by a hoop or circular net not exceeding 6 feet in diameter or with a fish trap with openings not exceeding one inch. The following species may be taken for personal use as bait by licensed anglers. **Species not listed below may not be used as bait, live or dead.**

American eel	Banded killifish	Bluntnose minnow
Creek chubsucker	Emerald shiner	Fallfish
Fathead minnow	Golden shiner	Mummichog
Pumpkinseed	Rainbow smelt <sup>‡</sup>	Yellow perch
Spottail shiner	White sucker	

<sup>‡</sup> Hook and line only. Possession or use of smelt as bait in inland waters other than during the smelt season is prohibited.

**Herring** — for current regulations on the use, possession and taking of herring contact the Div. of Marine Fisheries, 617-626-1520 or [www.mass.gov/dfwele/dmf](http://www.mass.gov/dfwele/dmf).

## SPORTFISHING AWARDS

Awards for freshwater fish are offered in 22 categories. Each qualified entry receives a bronze pin. Largest fish in each category each year receives a "gold" pin and plaque. There is also an annual award for a Master Angler who has taken the greatest variety of "pinfish" during the year. Fish must meet minimum weight requirements as listed below, and must be weighed on a scale certified by the Mass. Division of Standards or a town official. Please check our website for a list of weigh stations and/or to download an affidavit. This information is also available at DFW offices.

### Current Minimum Weights

### From the Director (continued from page 2):

implemented by Sportsmen's Clubs all across the state that serve their local communities while helping to pass on time-honored traditions of hunting and sportsmanship.

**Angler Education Programs** – We offer basic fishing classes, clinics and participation at family fishing festivals. Basic fishing classes include 3-4 weeks of instruction and end with a hands on fishing adventure. Clinics are generally two hours in duration and involve a presentation on the basics of angling, followed by casting instruction and a healthy dose of fishing. Family fishing festivals are large, more informal events that provide opportunities for anglers to try their fishing skills and gear under the eyes of watchful instructors.

**Freshwater Sportfishing Awards Program** – Each year the DFW honors anglers who have taken exceptionally large fish in any of 22 categories — and also a Master Angler who has taken exceptional fish in many categories — through our extremely popular FSA program. Last year we expanded this program by adding a Junior Division, with modified weight limits for anglers up to age 18. The smaller, junior weight limits were designed to encourage young anglers to participate in angling, as well as the program itself, but if last year's results are any indication, the junior anglers can compete with the seniors without any help!

**Massachusetts Junior Conservation Camp** – For youngsters with a special interest in fisheries, wildlife, and the great outdoors, we co-sponsor this two week "total immersion" program which serves boys and girls ages 13 – 17. Here DFW staff join with other natural resource professionals as instructors and presenters to teach a wide variety of traditional outdoor skills that range from bow hunter education to outdoor cooking to wildlife management. Some graduates from almost every class typically go on to enjoy professional careers involving various aspects of natural resources management, but all who attend gain the knowledge necessary to become active sportsmen and sportswomen for the rest of their lives.

**Becoming an Outdoors-Woman** provides instruction in outdoor skills for adult women who may have never tried these activities, but seek an opportunity to learn. Workshops include fishing, shooting sports, kayaking, map & compass, reading the woods, archery, nature photography, martial arts, game cookery and much more.

It is our hope that you and others who share your passion for fish and wildlife and have a personal commitment to outdoor activities will continue to enjoy and pass on the great American outdoor traditions. Massachusetts offers exceptional opportunities for wildlife related recreation with fishing rod, bow, gun or camera. We appreciate your commitment to these values and your continued support of the Division of Fisheries & Wildlife, through your license fees, your donations and your community involvement.

## TAGGED ANIMALS

Some bear, deer, moose, coyote or other animals have ear tags or radio collars. Contact MassWildlife's WestboroughField Headquarters (508) 792-7270 immediately after taking or finding these animals in order to determine their source and status.

From September 15 to May 15 all canoe or kayak occupants must wear a U.S. Coast Guard approved Personal Flotation Device.

Mary May Pratt got this outstanding trophy buck, her first deer, last season from the same stand from which her mother shot *her* first deer many years before!

**HUNTING**, continued from Page 7

<sup>6</sup> **Bear** - Permit required - submit application attached to license to Westboro Field Headquarters prior to season opening. Zones 1 - 9 ONLY. Hunting only with rifle .23 caliber or larger, muzzleloader .44 - .775 caliber, bows with 40 lb. pull or greater, or revolvers .357 Magnum or .40 caliber or larger. Handguns permitted in September season only - **SHOTGUNS PROHIBITED**. Dogs prohibited for hunting and training (See: **Hunting Dogs**, page 11). Hunting hours close 1/2 hr. after sunset except as noted in WMA Reg #10 (See hunting hours, page 7). Successful hunters must tag bear immediately (with tag attached to permit) and bring bear to an official checking station within 48 hours. **Limit 1 bear per year.**

<sup>7</sup> **Bobcat** - Hunting hours close 1/2 hour after sunset. Hunting limited to Zones 1 - 8. All bobcats taken must be checked within four working days of date of harvest. The Director will close the season when the total harvest reaches 50 animals.

<sup>8</sup> **Coyote & Fox** - Hunting hours end at midnight. Lights prohibited. Rifles chambered to take larger than .22 caliber long rifle rimfire ammunition and pistols and revolvers larger than .38 caliber are prohibited between the hours of 1/2 hour after sunset and 1/2 hour before sunrise. Firearms other than shotguns and bows and arrows are prohibited on WMAs stocked with pheasant or quail during the pheasant and quail season. Possession or use of any rifle chambered larger than .22 long rifle in any place where birds or mammals may be found in Barnstable, Bristol, Dukes, Plymouth, and Nantucket counties is prohibited, November 1 - March 31. Pelts must be tagged within four working days of the end of the season.

<sup>9</sup> **Deer** - Hunting hours begin 1/2 hour before sunrise and close 1/2 hr. after sunset except as noted in WMA Reg. #10 (page 16).

**Antlered deer**- any deer with at least one antler 3 inches long measured on a straight line from the center of the anterior (front) base of the antler burr to the tip.

**Antlerless deer**- a permit is required to harvest antlerless

deer during any season in all zones. Only one application per person. Applications must be postmarked no later than **July 16th**. Incomplete or late applications will not be accepted. Additional permits may be available in certain zones (see pages 8 & 9). Permits are accompanied by a zone-specific tag and are valid in any deer season.

**Note:** Each 2007 antlerless deer permit will have a tag attached, valid for one antlerless deer, increasing the seasonal bag limit for anyone possessing an antlerless deer permit. If you hunt the archery, shotgun, or muzzleloader seasons, you must have an antlerless deer permit to take an antlerless deer. The number of deer a hunter may harvest state-wide depends on the number of antlerless deer permits they purchase. A hunter may possess antlerless deer permits for more than one Zone. For example, if a hunter applies for a permit for Zone 5 through the drawing, and is selected for that permit, that hunter may purchase additional permits for a Zone that has permits available (such as Zone 10 or Zone 14). Permit availability depends on permit allocation and the number of applicants.

**Tagging requirements**- Immediately upon killing a deer and prior to moving it (during any deer season), the tag portion must be separated from the license or antlerless deer permit, filled out, and attached to the deer in a conspicuous manner. The deer must be taken to an official checking station by the person who killed it within 48 hours after killing it for validation by a Division of Fisheries and Wildlife representative. At that time the paper tag will be collected and a metal tag affixed. This constitutes the official report of kill as required by law. Deer taken on Nantucket, Martha's Vineyard or Cuttyhunk must be tagged on the island where shot. Deer must not be possessed, transported, or under a person's control unless the deer, or a part of the deer, is open to view. However, after the deer has been tagged with an official metal seal, the deer may be concealed.

**After killing 2 deer** (except for persons with unused valid deer tags) a person shall not hunt for any bird or mammal other than deer, during the remainder of the shotgun deer season. This does not apply to hunting waterfowl on coastal waters.

**Daily bag:** the daily bag limit is determined by the number of valid tags a hunter possesses. Hunters possessing one deer may take an additional deer before presenting the first deer at an official check station. However, all deer must be taken to a check station within 48 hours of being killed.

**Annual bag:** 2 antlered deer, and as many antlerless deer as the hunter has valid permits for, **PROVIDED:**

**(A)** Hunters may purchase additional antlerless deer permits for **available zones** subject to an overall quota in each zone.

**(See above for antlerless deer permit regulations.)**

**(B)** Hunters may take a maximum of two (2) deer in the Quabbin Reservation, both of which may be antlerless, provided the hunter obtains a second antlerless deer permit after checking their first antlerless deer at a Quabbin check station. **Antlerless** deer taken in the Quabbin are not considered part of the statewide bag limit. **Antlered** deer taken in the Quabbin are part of the statewide bag limit.

**No person shall** kill an antlerless deer unless he or she possesses on his or her person a permit from the director to do so.

**During shotgun deer season** hunters may use shotguns not larger than 10 gauge, bows and arrows, or muzzleloaders, including modern muzzleloaders, muzzleloaders with telescopic sights, and sabot rounds in muzzleloaders,

including hinge action muzzleloaders.

All deer hunters must wear a **minimum of 500 square inches of "hunter orange" on their head, chest, and back** during shotgun and muzzleloader seasons. This includes archers hunting during either season (see below).

**The possession of rifles, handguns, or dogs** in any woodland or field, or use of same on any game, is **prohibited** during the shotgun deer season except that the use of dogs is lawful for hunting waterfowl on coastal waters.

**Driving deer** is lawful.

**Importation of deer parts** from states or provinces where CWD has been detected is illegal, except that it is legal to import meat that is de-boned, cleaned skull caps, hides without the head, or a fixed taxidermy mount. No live deer, of any species, may be brought into Massachusetts for any purpose.

**Quabbin Controlled Hunt:** Contact Dept. of Conservation & Recreation (413-323-7221) in June for information. Must apply by August 15.

**Paraplegic Hunt:** There is a special deer hunt for paraplegic sportsmen, Nov. 1-3. Contact Field HQ for information.

<sup>10</sup> **Gray Squirrel** - Rifles and handguns permitted in Zones 1 - 9; prohibited in Zones 10 - 14. Hunting Hours, see WMA REG #10 (pg. 16). No person shall hunt by any means other than shotgun or bow and arrow during the pheasant and quail season on areas stocked with pheasant or quail see WMA Reg. #9, pg. 16.

<sup>11</sup> **Jackrabbit** - Season limited to Nantucket Cty. Zone 14.

<sup>12</sup> **Raccoon & Opossum** - Limit of 3 raccoons from sunset of one day to sunset of following day by one person; 6 by two or more persons hunting in same group. No limit on opossum. Night hunting on Wildlife Management Areas (except Delaney and Flint Pond WMAs) is permitted from sunset to sunrise except from Oct. 13 to Nov. 24 on areas stocked with pheasant or quail, when raccoon and opossum may be hunted only from 9PM to 3AM.

<sup>13</sup> **Bullfrog, Green frog, Snapping Turtle** - No license required. Minimum size for frogs 3" snout to vent.

## HUNTING REGULATIONS

**Accidents** - All hunting injuries or deaths **MUST** be reported to state, local police, and/or environmental police.

**Antlerless deer permit** - required to take antlerless deer in any zone during any deer season, in addition to a hunting or sporting license.

**Archery** - Poisoned arrows, or explosive tips or bows drawn by mechanical means are prohibited. Mechanical releases permitted. Arrows used on deer, bear or turkey must have well-sharpened steel broadhead blades not less than 7/8 of an inch in width. Recurve or long bows for deer, bear or turkey hunting must have at least 40 lbs. pull at 28" or at peak draw weight for compound bows. No arrows may be released within 150 feet of, or across, any state or hard-surfaced highway and hunting is prohibited within 500 feet of any dwelling or building in use, unless authorized by owner or occupant thereof.

Archers, while hunting deer, shall not possess firearms on their person or use dogs. (See deer regulations, page 7, for daily and seasonal bag limits, and antlerless deer permit regulations on page 10.) Archers may hunt with a bow and arrow during the shotgun season and muzzleloader season but must comply with the shotgun or muzzleloader season regulations. **Crossbows may be used by certain permanently handicapped persons by permit only.** For regulations and an application, visit our website or contact MassWildlife at (508) 792-7270.

**Hunter Orange** - No person shall hunt during the pheasant or quail season on public shooting grounds or Wildlife Management Areas where pheasant or quail are stocked without wearing a "hunter orange" cap or hat except while night-hunting for raccoons or while hunting waterfowl from a blind or boat.

During the period when it is legal to hunt deer with a shotgun, all hunters, except waterfowl hunters hunting within a blind or from a boat, must wear, in a conspicuous manner on chest, back, and head, a minimum of 500 square inches of "hunter orange" clothing or material. During the muzzleloader season deer hunters only must comply with the hunter orange requirement.

**Hunting Dogs** - May be trained at any time (except during the shotgun season on deer) provided no firearms other than pistol or revolver and blank cartridges are used or possessed. No sporting or hunting license necessary. During the shotgun season on deer, dogs may be used for waterfowl hunting on coastal waters only. Hunting bear or bobcat with dogs, or training dogs on those species, is prohibited.

**Muzzleloaders** - During shotgun deer season hunters may use muzzleloaders, not larger than .775 cal including modern muzzleloaders, muzzleloaders with telescopic sights, hinge action muzzle loaders and muzzleloaders using sabot rounds. Firearm is considered unloaded when cap or pan powder is removed.

During muzzleloader deer season season – hunters may use only shoulder fired muzzleloaders .44 cal to .775 cal.; barrel length 18" or more with only one barrel operational. Inline ignition systems are permitted providing rifle loads from the muzzle. Hinge action (break open) muzzleloaders are **NOT** permitted. Single projectile only (no buckshot). Sabot rounds, 209 primers and scopes are legal. Powder limited to black powder or approved substitutes. Firearm is considered unloaded when cap or pan powder is removed. Stamp required. Archers may hunt during the muzzleloader firearms season but must purchase a primitive firearms stamp and wear at least 500 square inches of hunter orange on head, back and chest.

**Reptiles and Amphibians** - No open season on 25 species: hunting, taking, possessing alive prohibited. Regulations available from MassWildlife. Possession limit of 2 on all others except bullfrog, green frog, or snapping turtle. (See p. 7).

**Tree Stands** - Must have written permission of landowner to construct or use any tree stand held in place with nails, bolts, etc., or in place for more than 30 days.

## PROHIBITED

**Artificial Lights** for hunting any bird or mammal except raccoon and opossum.

**Baiting** wild birds, bear or deer.

**Careless** or negligent use of firearms.

**Choke Traps, Leghold Traps or Nets** for taking any bird or mammal.

**Decoys** for hunting deer.

**Discharge of any Firearm** or release of any arrow upon or across any state or hard-surfaced highway, or within 150 feet of any such highway, or possession of a loaded firearm, discharge of a firearm, or hunting on the land of another within 500 feet of any dwelling or building in use, except as authorized by the owner or occupant thereof. See page 13 for additional firearms regulations.

**Electronic Calls** for hunting migratory game birds, wild turkey, or deer.

**Ferreting**, possession of non-vaccinated/unneutered ferrets/fitches without permit. It is unlawful to hunt with a ferret.

**Hunting on Posted Land** without permission.

**Hunting on Sunday.**

**Importation**, transportation, liberation or possession of any live vertebrate protected under Chapter 131 of the General Laws except under permit from the Director.

It is illegal to import, process or possess whole carcasses or parts of any cervids (members of the deer family) from states or provinces where CWD has been detected except that it is legal to import meat that is de-boned, cleaned skull caps, hides without the head, or a fixed taxidermy mount. No live deer, of any species, may be brought into Massachusetts for any purpose.

**Intoxication and Drugs** - No person under the influence of intoxicating liquor or drugs shall hunt, target shoot, carry a firearm, bow and arrow or other weapon.

**Loaded Shotgun** or rifle in or on any motor vehicle, recreational vehicle (including snowmobiles), aircraft or motor boat, except as stated in the Migratory Bird Hunting Abstracts.

**Machine Guns**, fully-automatic firearms, any tracer or incendiary ammunition for hunting. Crossbows are allowed for certain handicapped persons only (see Archery).

**Motor Vehicles, Recreational Vehicles (including Snowmobiles), Aircraft** for hunting any bird or mammal.

**Possession** of any protected wildlife and/or wild plants, dead or alive, taken from the wild, except by permit.

**Possession of rifles, handguns, or dogs** in any woodland or field, or use of same on any game, is prohibited during the shotgun deer season except that the use of dogs is lawful for hunting waterfowl on coastal waters.

**Power or Sailboats** for hunting birds except when beached or tied to blind or for retrieving injured birds.

**Removal** of any mammal from walls, holes in trees, ground or logs.

**Rifles** chambered to take larger than .22 caliber long rifle rimfire ammunition, pistols and revolvers larger than .38 caliber between the hours of 1/2 hour after sunset and 1/2 hour before sunrise. Weapons other than shotguns and bows and arrows are prohibited on WMAs stocked with pheasant or quail during the pheasant and quail season.

Possession or use of any rifle chambered larger than .22 long rifle in any place where birds or mammals may be found in Barnstable, Bristol, Dukes, Plymouth, and Nantucket counties November 1 - March 31, except during daylight hours on target ranges and except for the use of rifled caplocks or flintlocks during muzzleloader deer season, or rifled barrel shotguns during the shotgun deer season.

**Sale** of all species of mammals and birds or parts thereof, except heads, hides and hooves of deer.

**Shotgun Ammunition** - Except during the prescribed open season when deer may be hunted lawfully with a shotgun, a person shall not have in his possession a shotgun shell loaded with a rifled slug, single ball, buckshot of any size, BB shot or air rifle shot in any place where birds or mammals may be found except on a skeet, trap or target range between sunrise and sunset, or **except** as specified in Migratory Bird Hunting Abstracts.

**Swivel or Pivot Guns** for hunting any bird.

**Taking Nests**, destroying or disturbing eggs or nests of birds protected by law.

**Target Shooting** on Sunday except on one's own property or on a recognized range.

**Traps** for taking birds except under permit. All traps except cage or box traps and common mouse or rat traps are unlawful for the taking of fur-bearing mammals.

**Vandalism** or damage to property or livestock.

---

**Penalties** - License revoked for one year in addition to other penalties, fines of up to \$1,000, restitutions, and/or 1 year in jail. Careless and negligent use of firearms - fines of up to \$500 and/or 6 months imprisonment and loss of license for 5 years.

## LICENSES, PERMITS AND STAMPS

**Licenses are valid from Jan. 1 through Dec. 31** (except for limited term licenses).

**Licenses are required** for all persons 15 years of age and over for fishing (inland waters) and hunting (any bird or mammal). Trapping license 12 years and over. License must be shown on demand to any officer empowered to enforce these laws; and to landowners or lessees while on their property. No F.I.D. card needed if 12 to 14 years of age, or for bowhunting. Face of license must not be obscured. **NOTE:** No adult may buy a hunting or sporting license unless he shows the issuing agent a previous year's hunting or sporting license (from any state) or a certificate of completion of a Hunter Education Course issued by any state or province.

**Minors** 15 through 17 years of age are required to be licensed and to have required stamps and permits. To obtain a license a minor must have a Hunter Education Certificate or a letter signed by a parent affirming that the minor will be accompanied by an adult while hunting. Minors between 12 and 14 inclusive may hunt when accompanied by a duly licensed adult, provided that a single bag limit shall be observed and only one firearm/bow is possessed by the two. Only one minor per adult is permitted.

**Residency Requirement** - To obtain a resident license applicant must reside in Mass. for six consecutive months immediately prior to purchase.

**Nonresidents** - A big-game license is required to hunt deer, bear and turkey. **Aliens** must obtain a permit from the Dept. of Public Safety for possession of firearms prior to obtaining a hunting license.

Licenses are issued by most city and town clerks, all Mass-Wildlife offices and selected other outlets. Application may be made in person or by mail, or by agent of applicant. **NOTE:** City and town clerks **MUST** add an additional dollar (\$1.00). Other sales agents **MAY** add up to an additional One Dollar and Fifty Cent (\$1.50) service fee to the price of each license sold. No service fee is added to the price of licenses at MassWildlife offices.

Licenses, stamps, permits, and boat registration renewals are now available online at [mass.gov/massoutdoors](http://mass.gov/massoutdoors). Anyone holding an electronic license may subsequently purchase stamps, permits or boat registration renewals over the Internet. Persons holding traditional licenses must purchase permits, stamps and licenses at license sales outlets in the traditional way.

**Special Licenses or Permits** are necessary for possession or release of certain wildlife and for dealers, propagators, wildlife rehabilitators, taxidermists and/or fur buyers. Apply to the MassWildlife Boston office, Permit Section,

617-626-1575. Contact Field Headquarters in Westboro, 508-792-7270, for permits for falconry, problem animal control or shooting preserves.

**Landowner Permit** - No license is required by any legal resident of the Commonwealth or member of his immediate family for hunting, fishing or trapping on land owned or leased by him which is used principally for agriculture, if he is, or they are, actually domiciled thereon.

**Antlerless Deer Permit** is required to take antlerless deer during shotgun, archery and muzzleloader seasons in all zones. (Application is on hunting/sporting license.) **DO NOT send fee with application.** Selection is by random drawing. Applications must be submitted by **July 16**. Successful applicants will be notified and assessed a \$5.00 fee. Additional permits, if available after drawing, will be issued at all District Offices and Westboro (in person only) until the overall quota for each zone is reached. Applicants must have original hunting license and \$5.00 fee for each permit requested. Permits for zone 13 and 14 may also be requested by mail from the Westboro office or at check stations on each island.

**Bear Permit** - Bear permit applications are attached to hunting/sporting licenses. \$5.00 fee **MUST** accompany each completed application. Current holders of electronic licenses may purchase permits on-line. Submit application by July 15 to ensure timely processing.

**Migratory Bird Harvest Information Program (H.I.P.)** provides the U.S. Fish & Wildlife Service with migratory game bird harvest estimates for ducks, geese and other migratory game birds. Hunter cooperation is a critical part of gathering this information and managing game bird populations. Woodcock, rail, coot, snipe and waterfowl hunters **must** have a Harvest Information Permit (H.I.P.) number. This number can be obtained annually by calling **1-800-WETLAND**, and completing a brief survey. There is no charge for the permit.

**Turkey Permit** - Application is on the duplicate slip of hunting/sporting license. Current holders of electronic licenses may purchase permits on-line. Apply by March 15 for spring season & Sept. 15 for fall season to ensure entry in the permit system. \$5.00 fee **MUST** accompany application. One fee covers both seasons.

**Waterfowl Consumption Advisory:** The MA Department of Public Health has issued a waterfowl consumption advisory for the Housatonic River due to PCBs. For more information call the MDPH at (617) 624-5757.

**For a listing of Turkey, Bear and Deer check stations, visit our website or send a Self-addressed Stamped Envelope to Field Headquarters, Westboro.**

## Stamps

**Archery Stamp (\$5.10)**, required to hunt deer with a bow from Oct. 16 - Nov. 25. Stamp must be signed across the face in ink and attached to the rear of the license.

**Primitive Firearms Stamp (\$5.10)**, required to hunt deer with a muzzleloader or with archery equipment Dec. 11 - 30. Stamp must be signed across the face in ink and attached to the rear of the license.

**Mass. Waterfowl Stamp (\$5.00)**, required in addition to Federal Stamp. Stamp must be signed across the face in ink and in possession while hunting waterfowl. (Not needed for Woodcock, Snipe, or Rails).

## MIGRATORY BIRD REGULATIONS:

For comprehensive information obtain separate Migratory Bird Abstracts from **MassWildlife** available September 2007. All migratory bird hunters **must** have a H.I.P. number. Call 1-800-WETLAND.

## TRAPPING REGULATIONS:

For comprehensive trapping information obtain separate Trapping Abstract from **MassWildlife** available October 2007.

## MASSACHUSETTS GUN LAWS:

**Possession:** For hunting, resident citizens ages 15 and over must have a Firearms Identification Card (FID) to possess a non-large capacity rifle or shotgun. A License To Carry (LTC) is needed to possess large capacity rifles and shotguns and **all** handguns. Non-residents with a valid Massachusetts non-resident hunting license do not need an LTC or FID to possess or carry a rifle or shotgun, but must carry their firearms unloaded and in a case while traveling in their vehicles. Non-residents may not purchase guns or ammunition in Massachusetts. No License to Carry (LTC) or Firearms Identification (FID) Card is needed by bow hunters, nor by minors 12-14 years old hunting with a duly licensed adult, nor for the possession of primitive rifles or shotguns as defined in Chapter 140, Section 121, or their ammunition. However, an LTC or FID is required to purchase all ammunition, including black powder and Pyrodex.

**Caution:** Massachusetts public safety laws define primitive arms differently from the laws and regulations of **MassWildlife**.

**Travel:** Rifles, shotguns, and muzzleloaders may not be carried in or on motor vehicles, nor may they be carried on public ways, unless they are unloaded and in an enclosed case, or the person is lawfully engaged in hunting. A large capacity rifle or shotgun must be carried unloaded, and contained within a locked trunk or in a locked case or other secure container.

**Storage:** State law requires that whenever a gun is not under your direct control, it must be kept in a locked container or equipped with a tamper resistant mechanical lock. Muzzleloaders are exempt from this requirement.

**Penalties:** License revoked for one year in addition to other penalties, fines of up to \$1,000, restitutions, and/or 1 year in jail. Careless and negligent use of firearms - fines of up to \$500 and/or 6 months imprisonment and loss of license for 5 years.

# WILDLIFE MANAGEMENT AREA REGULATIONS

**MassWildlife** holds 116 Wildlife Management Areas (WMAs) and 13 wildlife sanctuaries. Maps are available from Field Headquarters, Westboro.

1. No person shall possess any alcoholic beverage except under permit or dump or discard any can, bottle or rubbish.
2. No person shall remove vegetation, soil or stones from any WMA except under permit.
3. No person shall use excessive speed in driving a vehicle.
4. No person, unless under permit, shall drive or possess any vehicle except on roads or trails maintained for public traffic.
5. No person shall deface or tamper with any sign, building or equipment.
6. No person shall build or maintain a fire without written permission from the Director of **MassWildlife** or his designee.
7. No person shall camp within any WMA without written permission from the Director or his designee.
8. No person shall engage in target practicing without written permission from the Director or his designee.
9. No person shall use any means other than shotgun or bow and arrow during the pheasant and quail season on areas stocked with pheasant or quail except for hunting raccoons between 9PM and 3AM.
10. No person shall hunt before sunrise or after sunset on any WMA where pheasant or quail are stocked during the open season on pheasant or quail, Oct. 13 to Nov. 24, except for the hunting of raccoons between 9PM and 3AM.
11. No person shall hunt during the pheasant or quail season on wildlife management areas where pheasant or quail are stocked without wearing a "hunter orange" cap or hat except while night hunting for raccoons or while hunting from a blind or boat.
12. No person, except under permit, shall dig or disturb any artifact or archaeological remains.
13. The Director may make special regulations to handle special situations peculiar to any WMA. Controlled hunts are in effect at certain times on Burns, Delaney and Ludlow WMAs. Contact District Supervisor for details.

Any landowner permitting use of his property for recreation without charging a fee is not liable for injuries to recreational users or their property except in cases of willful, wanton or reckless conduct by the owner.

(Chapter 21, Section 17C MGL)

## TRANSPORT OF FISH AND WILDLIFE

It is a violation of **FEDERAL LAW** to transport illegally taken fish or wildlife across state lines. For additional information contact the U.S. Fish & Wildlife Service, Office of Law Enforcement, Phone: (617) 889-6616.

## FEDERAL WILDLIFE LAW INFORMATION

Please note that fishing and hunting laws on federal parks, refuges and reservations such as that controlled by U.S. Fish & Wildlife Service, or the National Park Service may differ from state regulations. Contact the agency in question.

## SALVAGE

**ROAD-KILLED DEER** may be kept by Massachusetts driver or passenger of vehicle killing deer if reported to Law Enforcement at **1-800-632-8075** immediately and then tagged at **MassWildlife** or at a Law Enforcement office within 24 hours and free permit issued.

**ROAD-KILLED MOOSE** may not be kept by a Massachusetts driver or passenger of the vehicle killing the moose. The disposition of any moose carcass is only at the discretion of the Massachusetts Environmental Police or the Division of Fisheries and Wildlife.

## Education Programs

**MassWildlife** offers a wide range of educational and skills programs. With suitable lead time, these programs can be adapted to the needs of virtually any group.

**Angler Education Program** — teaches people of all ages, especially children, about the relationships between fish and their environment. The program teaches freshwater fishing skills, basic safety techniques, outdoor ethics and aquatic ecology through workshop sessions and/or through family fishing festivals.

**Hunter Education Program** — provides courses in the safe handling of firearms, and other outdoor activities related to hunting and firearm use. Designed for novices, courses in Basic Hunter Education, Bowhunter Education, Trapper Education, Muzzleloader Education and Map & Compass are offered statewide throughout the year. Certificates in certain courses satisfy hunting license requirements for Massachusetts as well as other states and Canadian provinces. Call (978) 632-7648 for more information.

**Becoming an Outdoors-Woman** — weekend and occasional one-day programs offer women of all ages an opportunity to sample a variety of outdoor activities from archery to wildlife photography and from kayaking to fly fishing. Sessions are designed for novices.

**Natural Heritage and Endangered Species Program** — Information highlighting rare and endangered species, their habitats and protection strategies is available in the form of fact sheets, a vernal pool certification packet, posters, a field guide to vernal pools, another for dragonflies and damselflies, a county checklist of vascular plants, and a guide to the protection of freshwater biodiversity.

**Junior Duck Stamp Program** — Students participate in a state-wide duck stamp contest that combines art with wetlands and waterfowl information. Co-sponsored by the Massachusetts Wildlife Federation, Massachusetts Waterfowlers, Ducks Unlimited and others.

**Massachusetts Junior Conservation Camp** — A two week summer program for campers 13 to 17 years old. The program stresses outdoorsports including fishing, hunting, boating and instruction in fisheries, wildlife management and forestry, all in a fun setting. Co-sponsored by the Massachusetts Sportsmen's Junior Conservation Camp, Inc.,

the Dept. of Conservation and Recreation, the Office of Law Enforcement, and G.O.A.L.

**Project WILD** — Emphasizes wildlife, people and the environment which they share. Six hour workshops are available for people who work with children in grades K-12. Participants receive either the Project WILD or Aquatic WILD activity guide. PDPs are available.

**Youth Hunts** — The Massachusetts Youth Pheasant Hunt provides an opportunity for 12-17 year old Hunter Education graduates to practice firearms safety, develop shooting skills and participate in a special pheasant hunt under the guidance of a safe, experienced hunter. For more information contact your local Wildlife District office or Field Headquarters, Westborough.

**For information on any of these programs call  
MassWildlife (508) 792-7270.**

Blanding's Turtle (Threatened)

Massachusetts regulates 442 species of rare animals and plants. Census, inventory and research are high priority needs for these species. The MDFW's Natural Heritage & Endangered Species Program protects these species and their habitats to preserve the biological diversity of the Commonwealth. As a citizen of Massachusetts **you can help** protect these rare animals and plants by contributing on your state income tax form, or by donating directly to:
